Do you have that? If not, I can ask Alan directly.

Good morning, Estrella and Candice. The above incoming letter from Sens. Duckworth and Durbin has been assigned to the WD Permits Branch for a response. It raises concerns about public water system quality, sewage discharges, and flooding. I recommend it be reassigned to ECAD (if DW enforcement is housed therein) or ECAD and WD GWDWB (if DW enforcement is housed in GWDWB; I can't remember). Permits Br can provide input as appropriate. Please review and let me know whether you agree.
